Would you like to work in logistics?

We have more than 16 thousand employees and this number is still increasing.

In Raben Group and started as a sales specialists. For the last 8 years, me and the company have been developing . Now I am sales manager and my employer has 8000 employees in 10 European countries. We provide complex logistic services globally. My department in Stryków become one of the biggest logistic centre in the entire TSL sector in Poland – now consisting of 3 locations on two sides of motorway A2. I feel proud to be a part of this company and our success, that we achieved.

Konrad Woźniczka, regional sales manager, **Raben Polska**.
